Contact: Mr Paul Edward Tarrant (07763 469064)

- The oven has no heat control to the hob – it is a dated appliance.
- The washing machine is dated, there is a heavy buildup of mould internally The washing machine can only be used on one setting, no other settings work. The water does not get hot so the TTs clothes are cold throughout the cycle.
- The tenant has requested a new fridge freezer to be installed as it is very small, the freezer compartment is smaller than a microwave.

Stoptap

Please contact the office below with a quotation prior to carrying out any works.
