<b>Instruction:</b>	Please proceed with quoted works - A standard 4 ring gas hob will not fit in here as the current is 71.6cm wide. The controls are in the worktop which means we only have 1 option for Gaggenau replacement. We are awaiting a quote from our suppliers for this option, but please be aware that it will require 2 domino hobs with a joining strip, and a potential granite worktop cut. Alternatively, please see the below quotes to replace with a 75cm gas hob. Please note that this option will mean that there will be holes in the sideboard where the knobs have been removed. This option also means that the worktop will have to be cut. Cat 3 - AEG - £539 + VAT (Manufacturer's Warranty - 2 Years) Delivery, installation & removal (including worktop cut) - £699 + VAT
