### Notes

#### TT comments:

I am writing to let you know that my fridge isn't cooling items as well as it used to and this affected how chilled food items are in the fridge and their freshness.  
This is despite it being very cold at the back wall of the fridge.  
My freezer is working fine however

### Useful Instructions

Please specify what warranty will be provided on both parts and labour on any quote provided.

If the cost exceeds £ 200, please contact this office first.
