Instruction:	Hello Smarter Appliances, Please attend as soon as possible early next week to take measurement of the existing Beaumatic oven for a replacement NEFF oven. Do provide a number of option of Neff ovens for consideration. Please note the Landlord's suggestion of replacement: - Given where the cooker is, I have fears of children cracking their heads on an open oven door. For that reason, I have been looking at the NEF cookers with the hideaway door. Something similar to the B3CCC0AN0B or N50 B6CCG7AN0B. Provided the new cooker fits and has like functions to the existing Beaumatic, I am relaxed. It needs to be steel fronted (not black or white) to be in keeping with the other fittings. Please seek a price for supply, fit and disposal of existing. Please liaise with the tenant on the matter of access. Regards, Annabel
