Supplier a/c no: C985023

Instruction:	Oven light bulb stopped working. I checked and it is the bulb fuse which went off. I have ordered a new bulb but it is very difficult for me to replace it. Tried multiple times. Issue is that the socket is difficult to reach and I do not want to break the bulb while attempting to replace the bulb. Pet information - No Alarm information - No Note: The tenant would like to be present when the work is carried out.
