Client: Mr Kengi Chen

Client No: C510592

Property: First Floor Flat, 30 Macaulay Road, London, SW4
0QX

Instructed By: Anca Ciobanu

Date: 09/10/2023

Works ref: W516812

Purchase order: 1588039

Supplier a/c no: C512358

Instruction:	Please proceed and investigate: The washing machines tumble dryer functionality doesn't appear to be working. Anytime the dryer functionality is selected, the machine will attempt to begin and then shortly stops. All the lights repeatedly flash and it makes what I gather to be a continuous draining sound. The model is an Indesit IWDE126. I deep clean it with manufacturer approved cleaner once a month and I've checked the filter already which is clear.
