<b>Instruction:</b>	Hi team, Please could you attend the property and fix the fridge freezer in the living room. There are two fridge in this property, Please check the on in the living room. Message from the tenants: Our fridge including freezer broke this morning. The one in the living room. The light is still on but it's not producing any coldness and everything in the freezer is defrosting. We have tried it in multiple plug sockets and it's not humming as it usually does. We have all just spent a lot on food shops and done weekly meal prep. Kindly contact the tenants for access.
