Instruction:	Hello Smarter Appliances, Please attend to look at the following issues, 1. The dishwasher door doesn't "soft close" anymore, it swings open with force 2. The fridge and freezer doors have come unstuck from the hinge that holds them to the cabinetry and aren't closing properly (so we're getting a lot of ice building up) 3. The 'drawer' you add the washing liquid to in the washing machine has come out and needs to be slotted back in Note: The tenant would like to be present when the work is carried out. With regards, Annabel
