Instruction:	Hello Smarter Appliances, Please could you attend to the following job this week. Tenant's comment:- Washing Machine - the washing machine repeatedly stops mid-cycle and throws an error code when we have tried to use it. The error code is "E10 - the appliance does not fill with water properly. We have done the basics like cleaning out the filter and detergent tray and running a hot cycle to try to clean out the machine and from what we can tell the water tap is open, but unfortunately the error code is persisting. Please liaise with the tenant on the matter of access, Regards, Annabel
