Instruction:	HI team, Please could you visit this property as a recall to check the washing machine and dryer leak. Tenants message: Just to let you know the washing machine got installed and appears to be working ok. However ever since the installers remounted the tumble dryer on top of the new washing machine it has now stopped working correctly. It does not dry to the clothes no matter how long the cycle goes on for. Additionally the water tank that normally needs to be emptied is always completely dry and it not collecting any water or moisture from the clothes at all. Kindly contact the tenant for access.
