<b>Instruction:</b>	As discussed, please attend to the below on a recall: The washing machine does not work properly still. After cleaning the filter etc. Closer to the end of program error code E00 appears and the machine stops. Clothes are completely drenched. It is unacceptable at this point to operate it. After every program I do a spin and drain and error code again. Full load or a few pieces no difference. [Appliance type: Washing Machine] [Appliance make: Beko] [Appliance model: Oo] Note: The tenant would like to be present when the work is carried out.
