**Purchase order:** 1605941

**Supplier a/c no:** C985023

<b>Instruction:</b>	I think the oven is faulty.Over the past week, every time I turn the oven on, the electrics trip and the oven goes off. I turn the setting of the oven off and then reset the 'oven' on the fuse box.There seems to be a strange smell when I open the oven but I don't really understand.I will not use the oven for now as I think it is quite dangerous.
