Instruction:	Hello Smarter Appliances, Please attend to the following jobs: -Hi Annabel, Hope you're well! We just have had a couple of issues pop up in the kitchen that need taking care of: Tenant's comment: -1. The light and fan in the oven seem to have stopped working making it unusable as it isn't extracting smoke. 2. The freezer is now regularly frosting up. I'd guess that the door seal is worn out and is letting air in causing the frost. Please liaise with the tenant on the matter of access, With regards, Annabel
